

What are we learning this week?

4/12/ 17

This week we will be following a text called 'Mog's Christmas'. This is a heart warming story that fits in beautifully with our topic all about people who help us. This will lead to some lovely art work including printing with our hands to form Christmas trees which will be decorated with glitter and sequins. If you are celebrating by putting up a tree at home, we would love to hear from the children about their customs and traditions. *Our Production is on Wednesday 6th December at 2.00pm and Thursday 7th December at 9.30am. We hope to see you all there!*

Our phonics this week, we focus on the sounds: j and w.

<http://ictgames.com/cvcPop.html>

We have been busy assessing the children's knowledge of sounds as we come to the end of this term. They are making good progress and your support in hearing them read is hugely appreciated. Please may we ask that all homework is sent in early in the week so that we may set up books for Friday.

In Literacy we shall be having a focus on writing letters to Santa as well as writing Christmas lists. Again, any news from home regarding celebrations would help to make a profile about how your child celebrates special times.

In Maths this week: We will continue to look at money and paying for items with pennies.
