

# What are we learning this week? 7/5/19

This week we will be looking at the story 'What the ladybird heard'. In literacy we will be looking at writing speech bubbles for each animal in the story, writing 'Wanted Posters' for Lanky Len and Hefty Hugh, using describing words to describe a night scene from the book as well as looking at alliteration that occurs in the story. In art we will be painting night scenes and taking our paintbrushes on a journey.

In Science/KUW we will be looking at nocturnal animals and finding out why they come out at night! Linked to our art work, we will also be looking at rainbows and why we have them and the colours within a rainbow. Inside and outdoor PE will focus getting ready for Sports Day!

Have a wonderful week!

On Tuesday we have an exciting visit from Ark Farm to our school. The children will have an opportunity throughout the day to look at farm animals. The animals will be in the Year 1 outside area.

In maths we will be continuing from last week's lesson on teen numbers.

Recap on how to make teen numbers with 10 and 1s. Reinforce the 1 written in teen numbers is the 10.

For each number we will model with Numicon, tens frame and lollipop sticks in bundles of 10 etc.
