

What are we learning this week? 8/5/18

This week we will be looking at the story 'What the ladybird heard'. In literacy we will be looking at writing speech bubbles for each animal in the story, writing 'Wanted Posters' for Lanky Len and Hefty Hugh, using describing words to describe a night scene from the book as well as looking at alliteration that occurs in the story. In art we will be painting night scenes and taking our paintbrushes on a journey.

In maths we will be looking at grouping animals in 2s and 10s. You may like to group items at home in 2s and try counting with your child in 2s. We will also be using positional language to describe where each animal is on the farm. In technology we will be making shoe box Panda Cars.

In Science/KUW we will be looking at nocturnal animals and finding out why they come out at night! Linked to our art work, we will also be looking at rainbows and why we have them and the colours within a rainbow. Inside and outdoor PE will focus getting ready for Sports Day!

Have a wonderful week!
