

What are we learning this week?

8/10/18

This week we will be looking at the Julia Donaldson story of *The Scarecrow's Wedding*. In our Literacy work this week, we will be reading the story and looking at writing wedding invitations and party invites. We will also be writing lists for the wedding party happening in school on Friday. On Thursday, the children are invited to come dressed in party/wedding clothes for the day as they will be 'attending' the Scarecrow's wedding in our school hall. We will be cutting the wedding cake and holding a wedding ceremony for the scarecrows on Thursday.

In art, we will be making paper plate scarecrows this Monday and then we will be making the scarecrows together in groups. This is always a fun activity as the scarecrows will get married on Thursday! We will finish our art activities making paper flowers for Betty's wedding day!

We have some exciting Child Initiated Tasks planned this week, including:

- Peg board repeated patterns
- Split pin scarecrows
- Shape scarecrows
- Playdough wedding cakes

In maths this week, we will be working on recognising numerals 1 to 5. We will be checking to see if the children estimate how many objects they can see and can then check by counting them. We will also be working with the children on separating a group of three or four objects in different ways, and seeing if the children are beginning to recognise that the total is still the same.
