

# What are we learning this week?

29/4/19

This week we will be looking at the story of The Bad Tempered Ladybird. We will have a focus this week of sequencing the story and encouraging the children to put the story into their own sentences. Working with an adult, the children will then be encouraged to sound out the words in their sentences and write them as a narrative. If you have this story at home, you may like to read it together and look at some of the vocabulary used. We will also be looking at how to write speech bubbles and record what the Bad Tempered Ladybird said.

In art, we will be making grass scenes with fingerprint ladybirds. We will also be making 3D ladybirds, clocks and potato print ladybirds. If you would like to research any ladybird facts with your child at home we would love to see them in school. Thank you.

We have some exciting Child Initiated Tasks planned this week, including:

- Exploring wet sand with hidden bugs.
- Icing 'Ladybird' biscuits.

In Maths this week: We will be continuing to work on our teen numbers as well as counting in 2s and asking questions such as How do we count in 2s? What are the rules? What do we notice about the numbers we land on on the numberline?

What number is 1 ten and one?

What number is 1 more than 15?

We are starting to practice for our sports day event, please can you ensure your child has a full outdoor PE kit in school - Thank you
