

What are we learning this week?

This week we will be looking at Bonfire Night. We will start the week by writing sentences about the weekend Fireworks we may have seen. The sentence will begin 'I saw a...'

We will be looking at the story of 'Hovis the Hedgehog' in our literacy and continuing the theme of hibernation and changes around us at this time of the year.

We will also be starting to introduce the Christmas production to the children this week, and begin to learn the songs.

On Monday and Wednesday, there will be Parent consultations in the hall. We hope you have all managed to sign up for a slot to see your child's class teacher to discuss your child's progress and next steps.

On Tuesday we will be celebrating Fireworks at the school and hope to see many of you in the evening.

We shall be beginning our preparations for our Christmas Production very soon. Please look out for the 'Christmas costume' letter. Each year we ask for your kind support in providing some clothing to help support our Christmas play.

So far in phonics, we have taught the children the sounds: b i a t g i s n o d p c. It would be great if you could continue to support your child at home with learning these sounds by using the cards we have placed inside the reading records. You can ask your child what sound each letter makes when you read with your child. Also, just a reminder that we love to see when you have read at home with your child, so a quick comment and signature in their reading record each time is so helpful to us, thank you

A reminder that I will be holding phonic's sessions for parents on Wednesday 13th November either at 2.30pm or 5.30pm.
