14th June 2016  Safeguarding Standard

Dear Parents/Guardians

With less than six weeks until we break up for the summer holiday I would just like to remind the nursery parents of a few things that can so easily be forgotten, especially if your child is moving up to the Foundation year in September.

Firstly (as with the main school) please can you make sure that your child wears the correct footwear, at all times. This means no 'jelly' type sandals, 'Crocs' or open toe sandals.

Please make sure that your child has a spare change of clothes/pants with them at all times. Even if your child is no longer experiencing any toilet accidents it is still a good idea to have a change of clothes in case they get wet or muddy in the outside area. If your child is still not fully toilet trained then we ask that you supply at **least** two changes of clothes, wipes and nappy sacks.

If you have had to borrow some of the nursery spare clothes at any time and may have forgotten to return them then please can we ask that you do so as our supplies are running out. With that in mind, if your child is leaving the nursery at the end of term and you no longer have any use for their nursery jumpers and polo shirts we would be very grateful to receive them to restock our spare clothes cupboard.

Thank you as always for your continued support

Yours sincerely

Mrs J Sumner
Assistant Headteacher & Foundation/Nursery Leader
