

What are we learning this week 11th September!

We have had such a lovely week of settling in to the Nursery last week. Welcome to those who have joined us this week. It has been lovely hearing about your adventures in the summer holidays and finding out about everyone.

This week we will be starting our new topic of 'All about me'. We will be following the story of Titch and looking at his family.

In maths - We will be looking at different sizes and putting the objects in order of size from small to big.

In P.E - The children will be learning how to balance effectively.

In Literacy - We will be reading the story of Titch, looking at the different characters and looking at what Titch grow.

In Science we will be looking at growth, planting different vegetables and flowers and watching them grow over the weeks.

In Expressive Arts - we will be singing our favourite nursery rhymes and playing our musical instruments, looking at the different tempos.
