

What are we learning this week? 14th May!

This week we will be looking at the story 'The Frogs' Race'.

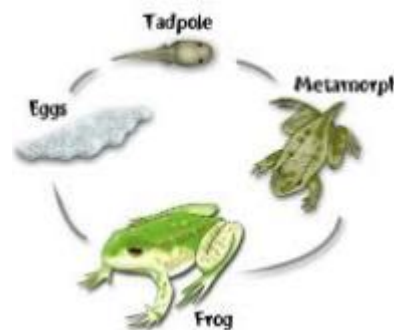

We will have a discussion at group time of what happens to a frog in the life cycle. We will take a look in the environmental area to see if we can find anymore Tadpoles to put into our investigation area, observing how they change over the week.

In P.E we will be creating a dance of contrast movements showing each stage of a given life cycle wiggling tadpoles -contrast speed -contrast flow -exploring direction as a different mini beast.

Thursday is Nursery stay and play 2:45-3:15 all welcome.

In Technology this week the focus will be on creating a picture using the interactive white board.

We will be practicing the formation of names.

In maths this week: we will be looking at one more (adding). Using the Frogs on the lily pads we will count out each lily pad. Looking at what number comes next.

Child initiated activities:

- Life cycle charts
- Environmental area
- Pencil control
- Playdough
- Life drawings
