

What are we learning this week

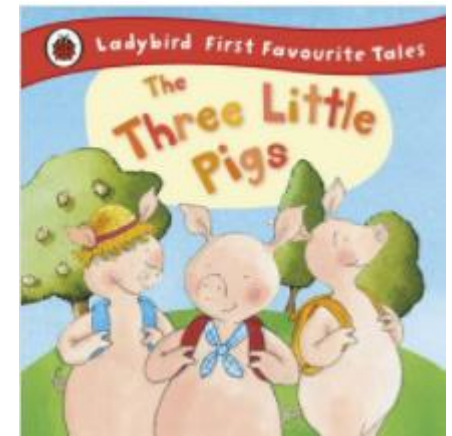

15th January!

This week we will be starting our new topic of Favourite tales. We will start with the story of 'The Three Little Pigs'. We will be looking at the different houses the pigs built and creating our own experiments on which house is sturdier? a straw house, a stick house or a brick house.

On the 18th January it is Winnie the Pooh day so please do wear something yellow or red to celebrate the birthday of the Author A.A.Milne. We shall share stories of Winnie the Pooh and make themed craft activities and taste honey on toast.

In Literacy - Listening to our story, looking at the rhyming words in the story.

In Art - We will be making paper plate pigs mixing our own shades with the powder paints. Later in the week, we will be creating pigs houses using textured materials.

In maths - We will be sequencing out the story of the 3 Little Pigs using the interactive white board.

Child initiated activities:

- Making Stick puppets
- Matching the correct amount of beads to a set number, using threading equipment.
- Pencil control
- Tuff spot 3 Little pigs house building
- Food tasting
