

What are we learning this week

16th October!

This week we will be continuing at looking at the changes in the environment. We will be looking at Harvest, and watching what the farmers harvest in Autumn.

After the half term, we will be introducing Jolly phonics, learning the different sounds to the songs.

In P.E. we shall be safely moving from one height to another using the balance beams.

Have a lovely half term we will be back on Monday 30th October.

In maths we shall be looking at number, and practicing the formations of Zero, One, Two and Three.

In KUV the children will be making Rangoli patterns using a variety of materials, a Diya lamp made from clay and Lassi to celebrate Diwali.

In Literacy we shall be finding out about Harvest, going down to the library to find different books.

EAD Using various materials to make potions in our science lab, using our senses to describe.

Please if you could send in any boxes or toilet rolls for junk modelling we would be grateful.
