

# What are we learning this week

## 20<sup>th</sup> November!

This week we are continuing with our topic of Elmer. We will be listening to Elmer and Rose, as this week we are celebrating Kindness and friendships this book is perfect as Elmer helps Rose who is a shy elephant.

Our nativity singing is coming along beautifully; we will be spending more time in the hall so they all become familiar with the area and the stage. Thank you to those who have already brought in their costumes.

In maths we will look at order of size. Starting from tallest to smallest. We will work in small groups discussing who is the tallest and who is the smallest. You can try this at home with your family members.

In Science we will be continuing with changes of state. Moving the Ice to different areas of the school and seeing if the Ice melts at different rates.

In Literacy we will discuss the new characters in Elmer and Rose.

In Art we shall be looking at changes in colour. They shall be painting an elephant starting from white and adding red each time and talking about what has happened to the colour.
