

What are we learning this week

22nd January!

This week we will be sharing the story of *The Princess and the Pea*. We will have a discussion at group time of our favourite part and how our routine at home is similar/different. We will look at different castles and take a trip to the library to find books on castles.

We will be watching short clips of Ballroom dancing, finding out if anyone does dancing in the Nursery; we will then head to the hall where we can try out some Ballroom dancing.

If your child has a particular Fairy Tale that they would like us to share, please send in the book and we will read it at story time.

In maths this week: we will be looking at numeral recognition, using the mattress layers and numbering them as we count up to 20. We will be encouraging the children write the numerals in the rice.

Child initiated activities:

- Making Stick puppets
- Weighing investigation area
- Pencil control
- Pea green playdough
- Repeating pattern crowns

In art, we will be colour mixing to paint green peas for our Bed. On Tuesday we will be free painting castles for the princess. On Wednesday, we will be decorating our mattresses for our beds! In Knowledge and understanding this week will focus on the life cycle of a pea.
