

What are we learning this week 26th March!

We have come to the end of our spring term. We have an exciting week of Easter fun before the holidays.

Over the week we will be having various Easter egg activities in the garden for the children to enjoy (weather permitting).

Have a lovely Easter Break and we shall see you all when we return to school on Monday 16th April.

In maths the children will be matching the eggs, looking at the number on the top and matching to the spots below. We will be looking at the different shapes.

In KUW - Making nests in our tuff spot for the Chicks.

The children will get to make salt dough eggs or chicks to take home.

In literacy - Listening to stories from the Peter Rabbit tales, making their own story books giving meanings to the marks they make.

EAD - Children will be making 3D Chicks and rabbits.
