

# What are we learning this week

## 27<sup>th</sup> November!

This week we are continuing with our topic of Elmer. We will be listening to Elmer and Paper Red, with this week's focus being on our Christmas Nativity we thought we would get them in the mood for Christmas with this lovely story.

We are very excited to show you our Nativity on Friday 1<sup>st</sup> December at 9:15 we hope you can all make it.

Thank you to those who have already brought in their costumes.

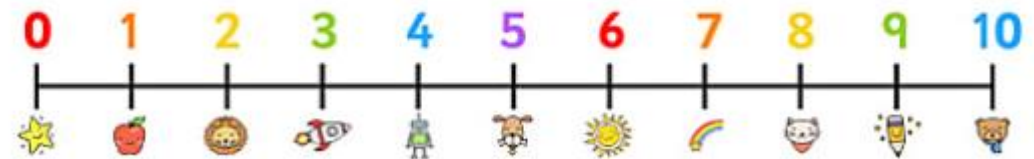

In maths we will be comparing different objects talking about which has more or less and saying when they have the same. In our key groups we will work on our number lines.

In Literacy we will talk about papa red and the young elephant's surprise. What could it be?

In Art we will be making our very own wrapping paper helping papa red in his workshop becoming his very own elves. We will look at the different prints we can make and choosing different colours and adding lots of sparkles.

My 0 to 10 Number Line

In understanding the world we will be looking at the changes of the moon. Full, half and crescent. Making a log of how the moon looks in the sky at night. If you like you can make a log at home.
