

What are we learning this week

4th December!

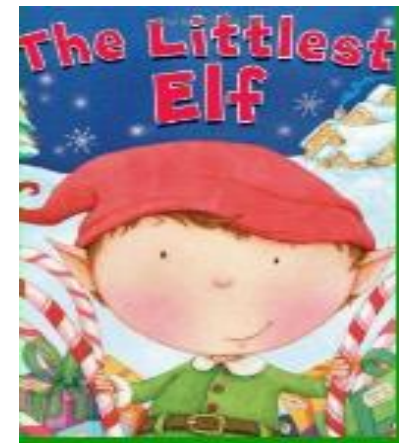

This week we will be following the story of The Littlest Elf. This will lead to some lovely art work including printing with our hands to form Christmas trees which we will decorate with sequins and glitter. If you are celebrating putting up your tree at home, we would love to hear from the children at group time, you can send some pictures via DoJo if you wish.

Well done to all the children last week in the Nativity they all did brilliant and sang so well, thank you again for coming along to watch and support your children.

Art - We will be making our own wrapping paper creating Christmas prints. We will use wrapping paper for role play in Santa's workshop helping out those elves. Making some reindeer's and Santa masks.

In maths we will be using our Christmas themed Dominos for matching and comparing when we have found two that are the same.

In KUW we will be focusing on the Technology. Using the computer to make their own Christmas picture.
