

What are we learning this week 4th June!

We hope you have all had a lovely May half term; we can't wait to find out everything you have been doing during the holidays.

This term we are looking at Transport down under in the lovely country of Australia. We will be finding facts on Australia talking about various landmarks. If you have anything about Australia at home that you would like to bring in for show and tell please feel free to do so.

In maths the children will be making a dream catcher looking at lines of symmetry and repeating patterns. We hope to hang these around the garden for you to see.

In KUW - Weather symbols.
Talking about the weather this week in the UK and Australia how they are different.
Art - We will be making Aboriginal art.

In literacy we will be taking a walk down to the school library to find books on Australia.

P.E - We will be continuing at using the fields for our lessons (weather permitting) practicing for sports day.
