

# What are we learning this week!

This week we will be following the text called The Littlest Elf. This will lead to some lovely art work including printing with our hands to form Christmas trees which we will decorate with sequins and glitter. If you are celebrating putting up your tree at home, we would love to hear from the children at group time.

Well done to all the children last week in the Nativity they all did brilliant and sang so well.

EAD We will be role playing in Santa's workshop. Using the reindeer and Santa mask's, helping the elves in the wrapping station.

In maths we will continue to look at numerals and matching them to the correct picture of objects.

In KUW we will be focusing on the Technology. Using the computer to make their own Christmas picture.
