

# What are we learning this week? 8<sup>th</sup> May

This week we will be looking at the story of 'Three Little Rigs'. We will have a focus on sequencing the story and encouraging the children to put the story into the correct order and retell the story in their own words. If you have this story at home, you may like to read it together, as it talks about working together and sharing.

We have a stay and make on Wednesday 10<sup>th</sup> May 3-3:30pm all are welcome.

We have some exciting Child Initiated tasks planned this week, including;

- Exploring the different marks left from tyres
- Making their own road maps.

In Art, we will be making different types of vehicles using junk modelling. Also we will be hand print painting 'people who help us'.

In maths this week: we will be looking at the different ways we come to school and making a bar chart. You may like to follow this up at home making your own survey of vehicles that go pass your house.

We will be starting to practice for our sports day event; please can you ensure sensible shoes are worn to Nursery.
