

What are we learning this week 12th June!

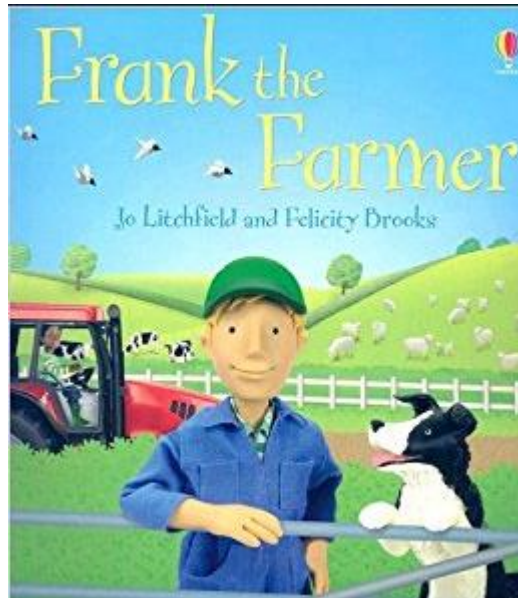

This week we are looking at the story of Frank the Farmer. We will be reading the story together and focus on sequencing the story and encouraging the children to put the story into the correct order and retell the story in their own words. We will be talking about what the Farmer does on the farm and if they have been down to a farm.

If you have any pictures of your time at a farm please bring in to share at group time.

We have some exciting Child Initiated tasks planned this week, including;

- Making our own mud farm
- Growing cress heads and watching them grow.

In Art, we will be painting and making collages of our farms, please if you have any junk modelling tubes, boxes and fabric please send in.

In maths this week: we will be looking at the different shapes to make our tractors, what shapes do they recognise looking at 2D and 3D shapes.

We will be starting to practice for our sports day event; please can you ensure sensible shoes are worn to Nursery.
