

What are we learning this week!

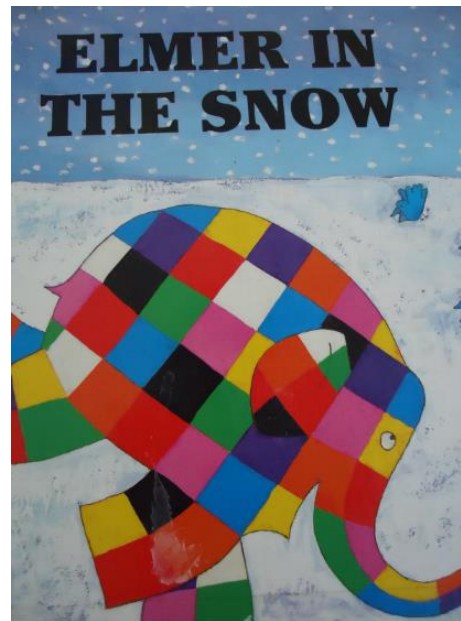

This week we are continuing with our new topic. We will be listening to Elmer in the snow. Finding out all about the cold, making our winter scene. What it's like to walk on the snow and how much fun it can be.

This week the letter is E, can you find objects that begin with E.

In P.E. we shall be using the parachute, moving it to different tempos.

In Literacy we will listen to the new story and talk about the cool, cold mountains.

EAD Using our multi-coloured sponges to do repeat print elephants.

In maths we will be sorting out our mittens into matching pairs. Do they look the same? How many do I have?

In KUW we shall set up our own investigation station. What happens to the water in freezing conditions? Placing the ice in different areas and watching the ice melt!
