

What are we learning this week 20th February!

Welcome back to nursery after half term, we hope you all had a lovely break. We will be starting our new topic of Panda goes around the world. We will be looking at different countries throughout the term, talking about places you might have visited on a holiday to Countries where your family members might have lived or could still live today. We will be starting off by flying to France, looking on the world map of the country and making its flag.

Our key group focus will be counting in French from 1-5.

In Literacy - Looking at French books independently and trying to write a few letters in French.

In KUW - We will be making Pastries and French bread using the ingredients and following the recipe. Showing interest in different ways of life.

In maths - We will be talking about coins from around the world, starting with Euro's. First counting out the coins in sequence order using vocabulary such as more and less and the number names for the numerals. Later in the week we will be measuring the height of the coins and using the vocabulary of taller and smaller.

In Expressive Arts - A role play cafe will be set up in the home corner for the children to take it in turns to become a waiter, a chef or a customer to practice their new French words.
