

What are we learning this week!

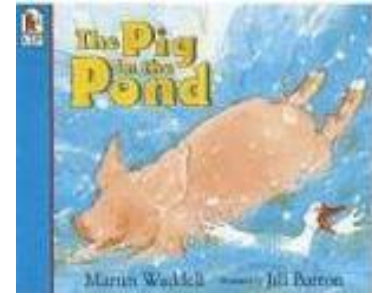

This week we will be looking at the story of Pig in the pond. We will be having a maths focus activity on looking at shapes and patterns and what might come next. Later in the week we will be looking at counting the animals on the farm.

We have started our rehearsals for Proms and it is coming along beautifully.

In P.E. we will be continuing with practicing for sports day, Which in Monday 3rd July at 9:30 all are welcome.

In Literacy we will be sequencing the story of Pig in the pond.

EAD We will be introducing musical instruments and tapping along to the beat.

In art, we will be painting our own farms, creating the farm pond pictures using shades of blue and green. We will also be designing and making our own pig.

We have some exciting child initiated activities planned this week, including;

- Creating a pond in the tuff spot
- Cut and stick activities
- Maths games
- Making farm puppets
