

What are we learning this week 27th March!

This week is our last week going around the world to Italy. We will be looking at all the famous landmarks such as the leaning tower of Pisa, looking at the capital Rome and talking about the surrounding countries.

We will have fun learning some Italian words and songs.

On Thursday we will have Italy day where they can come in dressed in the colours of the Italian flag red, white and green.

In KUV - Focusing on technology we will be using the interactive white board to select an art program to make their own Italian master piece.

In maths the children will be making their own Pizza, looking at the different shapes and making arrangement with those shapes. We will be talking about prepositions 'on top', 'under' and 'next to'.

In literacy - we will be looking at the famous paintings and sculptures from Italy, making our own sculpture from clay, using junk modelling to make the leaning tower of Pisa.

EAD - Making a role play cafe for the children to practice their Italian. Turn taking in being a waiter and being the customer.
