19th April 2016  Safeguarding Standard

Dear Parents/Carers

We have been asked by parents about the availability of extra sessions for this term. Unfortunately we are now at full capacity in the nursery and so there are no extra sessions available. Obviously with a large number of our children moving up to the main school in September there will be extra sessions for those that are staying in the nursery, however we are already filling up fast so if you do feel you may want any extra days please see Mrs Norman in the school office as soon as possible.

Uniform

When we opened the nursery in September 2014 we put a lot of thought into what would be the best 'uniform' for the nursery children. With Health and Safety a key issue we made sure that the sweatshirt and polo shirt were different colours to the main school so that if any of the children got lost in amongst the older children **ALL** staff would know straight away that they were from the nursery.

We are worried about the girls especially, dressing in the main school summer dress and navy blue cardigan. As they share a toilet with Foundation it is not always quick/easy to spot the nursery children.

If you have already purchased a summer dress then obviously your child can continue to wear it, however please make sure that they wear their Hazeldene Nursery sweatshirt on the top. If you have not purchased a dress and were perhaps considering doing so then please can we ask that you don't. The children can wear shorts, skirts and their own non-uniform dresses as the weather gets warmer.

We thank you for your cooperation with this matter and as always, your continued support.

Yours sincerely

Mrs J Sumner
Foundation and Nursery Leader & Assistant Head
