### Guidance concerning Coronavirus (COVID-19)

Dear Parents/Carers

I would like to inform and reassure parents about our approach to protecting against the spread of Coronavirus at Hazeldene.

We are following all advice provided by Public Health England, the Department for Education and the local authority. This includes any advice pertaining to members of the school community returning from abroad. Our school cleaners are being instructed to pay particular attention to the disinfecting of toilets, hand basins, door handles etc.

We have reminded all children and staff to follow sensible precautions around hand washing, tissue use and trying to avoid coughing or sneezing without covering the mouth. We are grateful for parental support in reinforcing these reminders.

Please find below a link which shows the advice and guidance from the government; this is being regularly updated:

Yours sincerely
