12<sup>th</sup> September 2016  Safeguarding Standard

Dear Parent/Carers

We have had a lovely first week in Foundation. We have been thrilled with how quickly the children are beginning to settle and follow the daily routines. I am sure you have all managed to have a look inside your child's classroom and have noticed how we have arranged the classrooms this year in a rather 'family home' manner. This involves soft furnishings and soft lighting and lots of references to families and home life. This is an approach suggested by Elizabeth Jarman and more information on this approach can be found by following the link [www.elizabethjarmantraining.co.uk](http://www.elizabethjarmantraining.co.uk).

By following this approach we are hoping that our children will feel more relaxed and confident in their new surroundings. We would like to continue this approach by adding photographs of your families to our 'family boards' within our settings. By looking at these on the wall, the children will feel relaxed in these early days. If you would like to send in family photos we will display them over the next couple of weeks.

Thank you for your continued support.

The Foundation Team.
