15th May 2017  Safeguarding Standard

Summer Term Lunch Choices

 The Behaviour Standard

Dear Parents/Carers

After the half term break the school kitchens will be offering baguettes each day with a selection of fillings over the course of a week (e.g. tuna, cheese, ham, egg or chicken) these will be served with a salad and a pudding and will replace the jacket potato option (this will be available again in the autumn) The kitchens will still have a few jacket potatoes each day as a choice directly from the counter (not to pre-order) There will also still be jacket potatoes for the children with dietary requirements that have already been discussed with the kitchen manager.

If your child wants a baguette for lunch on any day then they will need to let the teacher know when the dinner register is being taken in the morning. All the fillings will be available to choose from when they come down to lunch so that choice does not need to be made in advance. As the baguettes will have been made to order children unfortunately cannot change their mind once they have said that is what they want.

I'm sure that this will prove very popular as it was last year and a nice option for the summer.

Yours sincerely

Helen Ward
