7th February 2017  Safeguarding Standard

Dear Parents,

We are pleased to be able to offer a six week block of football coaching. The sessions will run each Monday 3:25p.m - 4:25p.m, commencing 27th February with the final session on 3rd April.

The sessions are being run by MK Dons. All of their coaches are DBS checked and hold a Level 2 coaching certificate in football.

As these sessions will run **outside** children must come to school with appropriate clothing. If the weather is dry the children will receive their coaching on the school field, if the weather is wet they will still receive their coaching outside but on the playground. We would therefore request that the children have footwear suitable for both playing on the grass and the playground in school on these days. The children will also need shin pads.

Confirmation of place will be sent, and information regarding collection point. In the event of too many children applying names will be placed in a hat (not first come first served). All forms need to be returned by Friday 10th February.

Yours sincerely
