12th September 2017  Safeguarding Standard

Dear Parents/Carers

On Wednesday 20th September we will be holding two Numeracy information sessions for **all** parents across the school. The afternoon session will be from 2:00- 3:00, which will be repeated at 7:00- 8:00 for parents who are unable to attend in the afternoon. The sessions will be practical, fun and informative covering the topic of ‘improving your child’s mental maths’.

This is an opportunity for you to find out how the mental maths curriculum is delivered, looking at the progression over the years. During these sessions we will also be introducing the new weekly mental maths homework sheets.

There will also be the chance to order Numicon homework sets to help support your child at home.

Please return the slip below indicating which session you will be attending.

Thank you for your continued support.

Mrs V Kilroy
