### Nursery's First week

Dear Parent/Grandparents/Carers

We have had a lovely first week in Nursery. We have been thrilled with how quickly the children are beginning to settle and follow the daily routines.

With the summer holidays leaving us and autumn fast approaching we have come back to some wet and windy days. With the weather changing, the children will still be going out to play and enjoy the outdoors each day. Please can you ensure that you send in spare clothes just in case we do get wet and can change if needed, and don't forget the warmer clothes to keep us toasty while out in the fresh air.

I am sure you have all managed to have a look inside Nursery and have noticed how we have arranged the classrooms this year in a 'family home' manner. This involves soft furnishings and soft lighting and lots of references to families and home life. This is an approach suggested by Elizabeth Jarman and more information on this approach can be found by following the link [www.elizabethjarmantraining.co.uk](http://www.elizabethjarmantraining.co.uk).

By following this approach we are hoping that our children will feel more relaxed and confident in their new surroundings. We would like to continue this by adding photographs of your families to our 'Family Boards' within our setting.

By looking at these on the wall, the children will feel more relaxed in these early days. If you are able to send in family photos we will display them over the next couple of weeks.

Keep a look out for our posters on our notice board regarding all the forth coming celebrations. If you haven't already looked on the school website please do so, but we will always have posters up notifying you of any information. This will also be written up in the weekly diaries.

Thank you for your continued support.

Miss Marlton  
Nursery Manager
