ITS LEARNING

Click on on the front page of our school website (www.hazeldeneschool.co.uk)
Your user name & password will be given to you by your teacher. All user names end with .hz and is not case sensitive. The password will always be a word and end with 2 numbers. The passwords are case sensitive so make sure your caps lock is not on.
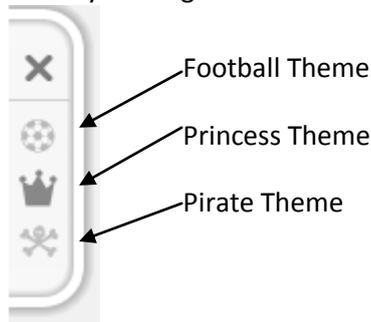

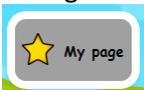

Y2-Y4: Once you have logged into itsLearning, click on (top left) and find your class name in the list. (You might see other links to other classes or subjects there, you are welcome to explore.)
The DASHBOARD will display in the centre of your screen and your teacher will put all relevant information on here for you to read such as topic information, links to websites and information parents will find useful.
On the left there is a yellow folder icon with your class name next to it. More homework, discussion boards and website links will be added here.

Icon	Meaning
	Discussion Board
	A folder – click on it to expand. More information will be in that folder
	Download a file. Maybe your teacher gives you your weekly spellings to download
	Link to another website
	A page that can contain pictures, links or homework exercises.
	Note – your teacher might right notes to your parents or to you
	A quick link to get onto you I AM LEARNING homework
	Assignments that require an answer to be submitted to your teacher

Each Icon has a heading to let you know what it will contain. Click on them and try them out. If anything is unclear please ask your child's teacher.

Reception-Y1: You will be brought through to a different screen to the Y2-Y4's. Your child can customise his/her screen by clicking on one of the icons on the top right of your screen:

My Homework

In the example on the left, there are 4 different exercises:

- Data and graphs
- Punctuation
- Using capital letters and full stops
- Telling the time – digital to analogue.

You can see which exercises are outstanding by the red n/a box. If your child has tried the exercise, their score will show in the box.

To do the exercise, click in the white box.

There are lots of different fun games you can play to complete your homework.

You have 6 different categories of games to choose from: Action, Sport, Design, Game Show, Strategy & Multiplayer. The more credit you have the more games you can unlock. To unlock a game, click on it and a screen will come up showing you how many credits it will cost. If you have enough credit, you can unlock the game:
