Autism & Behaviour

A workshop for parents & carers

Date: Thursday 13th July 2017

Time: 9:45am arrival for a prompt 10am start until 1pm

Venue: Child Development Centre, Hill Rise, Kempston, MK42 7EB

Parking: At the top of Hill Rise Rd please turn left towards Kempston Challenger Academy School and park in the lay-by.

Please do not use the CDC car park.

Tea & Coffee will be provided

This workshop provides you with the opportunity to learn more about:

- **The difficulties autism can cause in managing behaviour**
- **The theory behind behaviour and how we can prevent rather than cure**
- **Strategies for managing difficult situations**

**Price: £10 members
£15 non-members**

Unfortunately we have been unable to access the necessary funding in order to offer this session free of charge for parents, however we are aware of the demand for this support and therefore would still like to provide this opportunity at a minimised cost.

To register for your place please contact Autism Bedfordshire (01234) 214871 or enquiries@autismbeds.org
