Dear Parents and Carers,

I hope this finds you well as we enter the Summer Term.

I have been asked by Bedford Borough Parent Carer Forum to highlight a new coffee morning for parents and carers of children with special educational needs and disabilities.

They say, "It is intended as a social event for parents that can be tailored to how parents would like to see it being run on future dates, i.e. inviting key speakers along, or for training. We hope parent carers will find out more about the Forum and meet other parents in a similar situation, to chat, swap stories & ideas and to gather information. We will have tea, coffee, squash and the all important cake!"

Please see the flyer on the reverse of this letter. The invitation extends to all parents and carers of a child with any special educational needs or disabilities. They do not have to have an Education Health and Care Plan or Statement for their child.

There is also a membership form should any parents wish to be included on their mailing list which is also attached.

There are also contact details should you require any further information.

Kind regards,

Vicky Norman
SENDCo
