SPECIAL NEEDS ACTION PANEL
CENTRAL BEDFORDSHIRE

Review of the Children's Physiotherapy and Occupational Therapy services

Continuing on from our work around speech, language and communication, BBPCF, SNAP (Central Bedfordshire), Bedford Borough and Central Beds Councils and Bedfordshire Clinical Commissioning Group (BCCG) are reviewing Children's Physiotherapy and Occupational Therapy services.

We want to hear from you about your experiences of the current service and what you would like to see in a future service. We particularly want to hear from parent carers but we are also inviting other practitioners who have involvement with OT & physio services
