Dear Parents/Carers

### Year 4 - Three Days of Springtime Fun!

We are pleased to tell you that your child will be taking part in 3 Days of Fun from Monday 26<sup>th</sup> March until Wednesday 28<sup>th</sup> March. There are lots of exciting craft based activities planned for the children that are staying at school whilst the Hill Top residential trip takes place.

Mrs Harris, Mrs Smith with support from Mrs Edgeworth and Mrs Logue are really looking forward to next week. There will be a chance to craft Easter eggs, create their own diorama (shoebox 3D scene), create stained glass window art, as well as undertake junk modelling, sewing and lots more. Please bring a shoe box and decorative paper in from home, if you have any.

On Tuesday, the children will make mini pizzas (they will still have their lunch as normal). We will provide the base and tomato puree but can the children please bring in their own choice of toppings in a named container. Please do let Mrs Harris know if there are any special dietary requirements or allergies.

On Wednesday, Mr Rowland who is currently working in school will take the children for outdoor PE (weather permitting) where they will focus on team games.

The children are able to dress in mufti clothes with sensible footwear e.g. trainers. Please note there will quite a few messy activities so comfortable and older clothes would be best. If your child is able to bring an apron or old shirt to wear whilst painting that would be helpful. Please wear PE kit or Sportswear on Wednesday.

If the children would like to bring any board games in next week that would be great as there may be an opportunity to play them. No electronic devices please.

I am sure the children will be pleased to know there is no homework next week although we still encourage the children to do their daily reading at home.

Please bring a water bottle and snack. Lunchtime arrangements will be as normal. The children will be based in 4R's classroom.

We are all looking forward to an enjoyable 3 days. Please do ask if there are any questions.

Many thanks.

Vicky Norman

Lower KS2 Leader
