Year 5 Visit to National Space Centre Leicester
Wednesday 29th April 2020

Dear Parents/Carers

This term our science focus in year 5 is Space. We have explored the different planets in our solar system as well as describing the movement of the Moon and Earth. In order to enhance this work, we have the opportunity to visit the National Space Centre in Leicester on Wednesday 29th April.

Our visit will include a tour of the space centre and a planetarium show. This is a fantastic opportunity for our children to have a practical experience of the thought provoking and wonderful world of space.

The children will be travelling with The Barfordian Coach Company. We will be leaving school at 8.00am promptly and leave the centre at 3.00pm to arrive back to school at 5.00pm. The children will need to bring a packed lunch with them in a disposable carrier bag. If they are entitled to a free school meal then a packed lunch will be provided if you would like one, but they will need to bring their own drink (please inform your child's teacher).

The cost of the visit will be **£21.05** per child which covers the cost of the entrance into the Space Centre and the coach. The consent form on the reverse of this letter needs to be returned to school by **FRIDAY 27th MARCH**. Payment must be made using the **PARENT PAY SYSTEM**, all payments must have been made by **FRIDAY 3rd APRIL**. If you are having difficulty meeting the cost of the trip, please come and talk to your child's teacher.

Yours sincerely

Miss E Moulder and Mrs V Butterfield
Year 5 Teachers
