Dear Parents/Carers

As part of the year 6 French Curriculum, the children will be taking part in a French Cafe, giving them the opportunity to use the linguistic skills they have been developing in their French lessons.

The focus of study in modern languages is on practical communication. The national curriculum for languages aims to ensure that all pupils understand and respond to spoken and written language from a variety of authentic sources and speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say. This is done through discussion, asking questions and continually improving the accuracy of their pronunciation and intonation.

On Friday 5th July from 2.30 - 3.30 we would like to invite the parents to spend a small amount of money in the 'Cafe des Amis' where they will be able to sample French delicacies and play French games. They will be served by their own children who will be transformed into French waiting staff for the afternoon. We will provide details on how the children can dress at a later date.

If you would like to attend, then please complete the slip below. In order to avoid wastage can you please also indicate the food/drink you will be purchasing.

Yours sincerely
