### E-Safety and Purple Mash information sessions

28<sup>th</sup> September

Dear Parents and Carers,

We are delighted to let you know that on Thursday October 11<sup>th</sup> we will be holding an information session about online safety and Purple Mash.

During the sessions we will explain how to get the very best out of Purple Mash at home, making sure that you and your child are able to enjoy using it together. We will also explain how we use Purple Mash at school.

We will be looking at how to stay safe online, particularly with the rise of social media and gaming apps being used by our children. We'll outline the dangers and ways to reduce them in your home, providing useful links to resources you can use to protect yourselves.

We are very lucky to have a representative from Bedfordshire police joining us for one of the sessions too. Richard Denton is the children and young people development officer for Bedford and he will be joining us to share his expertise on online safety, giving useful advice on how to best to keep your children safe when using the internet.

We will hold two sessions to give as many of you as possible the opportunity to attend. The first will be at 2pm (with Richard Denton), and the second at 5:30pm.

If you wish to attend please fill out the slip below ticking the session you will be attending. We look forward to seeing you.
