

Stay safe online

Have fun surfing the web but always remember to stay safe!

Why not colour in our computer wizzes and find out more about keeping safe online?!

Remember to stay safe online:

- Keep your personal information safe and not share it with strangers, passwords should be kept to yourself.
- It is important to make sure you only talk to people who are your friends online. People may not be who they say they are and that once a friend is added to an online account, you may be sharing your personal information with them.
- **ALWAYS** talk to a trusted adult if you are worried about anything.
