

What are we learning this week?

16/4/18

Welcome to the start of a new week. This week we will be looking at farms as we lead up to our trip to Woodside Animal Farm on **Wednesday**. Please can you ensure your child has a light raincoat for the trip as well as their wellington boots. We will return to school for the normal collection time. Please can you meet us outside the classrooms and **not collect from the coach**. *Please can you ensure all children are in school promptly on the day of the trip as we will need to leave as soon as possible.* Our book for this week focuses on a farm and is called 'Cock-a-Moo-Moo.' It looks at pigs, chicks, ducks, cows and the role of the farmer.

Trip reminders: If you are sending a packed lunch from home please can you place everything in a disposable carrier bag - named please with drinks named. If your child is having a packed lunch from school, please can you also send in two drinks (named) as school packed lunch does not provide this. **Raincoats please and wellington boots.** Thank you

We hope you all enjoyed the Easter Parade! The children did a brilliant job singing and parading. A massive thank you for all your hard work with the bonnet and basket making! We hope you all had a lovely Easter break and managed to get out and about avoiding the rain!!

Our writing this week, we focus on writing a recount of our farm trip using time words such as: 'first, then, next... '

After our farm trip we will be starting our new topic called 'A Bug's Life'. We will be looking at minibeasts such as ladybirds and worms. Our maths will focus on doubling (doubling spots on ladybirds).

We hope you have had fun helping your child to find out about the bug of their choice. We would love to share these with the children and hear about the facts they have discovered.
