

# What are we learning this week? 22<sup>nd</sup> January

This week we are continuing with reading Fairy Tales with a focus on the story of The Three Little Pigs. In our Literacy we shall be writing speech bubbles from the Wolf and the pigs. In art we shall be making pink peg pigs and icing pig biscuits on Thursday. We shall also be looking at different materials for the pig's houses and decorating milk cartons with straw and lolly sticks.

In Science/KUW we shall be looking at what happens to materials such as bricks, straw and sticks when it rains. We shall also be testing which house material was the strongest; wood, straw or sticks. We shall be putting these materials to the test using a hairdryer!

In maths we will be looking at sequencing ordinal numbers 1<sup>st</sup> 2<sup>nd</sup> 3<sup>rd</sup> etc and later in the week we shall be looking at the language of time. You may like to play 'what's the time Mr Wolf?'

In maths, we shall also be looking at positional language- where is the wolf? Behind, in front, next to etc. the pig's house.
