

What are we learning this week?

30/10/17 - Welcome Back!

This week we will be starting our new topic which looks at 'People Who Help Us'. Thank you for helping to get our new topic off to a flying start by sending the children in dressed as a person that helps us. We will be discussing these jobs and thinking about how these people help us. In our writing, we will be supporting the children to write a sentence about who they have come dressed as. In phonics, we have looked at the following sounds so far: a i m s t n p. We will be moving onto the new sounds: b c g and o. We will be reviewing the sounds the children recognise soon.

We have our first ***Stay and Make*** this **Wednesday 1st November**. You are invited to come into class at 2.30pm to make a clay Diya lamp with your child. This is a half hour making session so we will be finishing at 3.00pm. If you are not staying please collect your child at the usual time.

In our Knowledge and Understanding work this week, we will be celebrating Diwali - Diwali, is a Hindu festival of lights celebrated every year in autumn. We will be decorating Rangoli patterns with coloured rice. If any families are celebrating this festival too, we would love to hear how you are celebrating as a family.

- In maths this week, we will be ordering numbers to 20 on rockets in preparation for Bonfire night.

We would love to see any **Autumn boxes** that the children have made with you over the holiday.
